POINTS

The best 5 scores will count and the Points will be awarded as follows:

1st 100 points	11th 54 points
2nd 95 points	12th 53 points
3rd 90 points	to
to	64th 1 points
10th 55 points	Remainder 1 point

Ties: Riders tied for any position will score the full points for that position. In the event of equality of qualifying scores in the series then the first tie breaker will be the total number of points scored and the second tie breaker will be the number of rounds ridden (the higher number being the winner).

Solo Competition

There will be 2 sections: 1 for riders over the age of 50 and 1 for everyone else (Under 50's). Riders over 50 will ride against their standard at the age entered. Points for the Under 50's will be on fastest time. There will be no cross-over between the sections during the season. Any rider beginning the series under 50 years of age will not be allowed into the Over 50's Section. In order to qualify for prizes competitors must ride at least two events of each distance.

Cancelled events

If more than two events are cancelled, for any reason, then the series will be decided by counting the 'n' best scores where 'n' is the number of rounds held minus 1.

Team Competition

The team members at each round can be completely different. Riders from both sections are included in the Team Competition (ie. Teams can include riders from Under 50's and Over 50's).

The team members at each round can be completely different.
